

This year was an extremely difficult decision as all the applicants were so well-rounded and deserving of this award. All have promoted Holland lops and displayed exemplary behavior in their schools and communities. All have been active in the National Holland Lop Rabbit Club, serving as youth directors of their zones and attending National shows and ARBA convention. This year the 2020 recipient of the Holland Lop Scholarship is Isaac White from Nebraska.

Respectfully submitted, Nicole Brockriede
Chairperson of the scholarship committee

YOUTH SCHOLARSHIP WINNER

Isaac White
