

2020 Herdsman of the Year - Open

Debra Sandoval & Nicole Brockreide

BFE Lliad - SJB

What a year of distancing from family and friends, shows being canceled, No Nationals, No convention, and yet through it all we continued to breed and work on our herd.

Several surprising and amazing events occurred this past year for Brock's Fallen Ears. First of all we have started producing some nice quality "colored rabbits". We now have a number of oranges and agoutis that have done well on the show table. We have even gotten some nice opals, Frosties, and a Siamese Sable or two. Secondly, our solid junior tort doe Frankie took 4 BIS's in one weekend out of 800 rabbits at the California State Convention! That was definitely the highlight of our showing career.

We've missed seeing our rabbit friends who don't live on the west coast and look forward to renewing those friendships again.
