Amazing to us that we again won Herdsman for 2022. That will be 12 out of 13 years, surely a record! Let me explain how Herdsman is achieved. Unlike the Top Lop, which is an accumulation of points for a specific animal in a year, the Herdsman contest measures how many different Hollands that a breeder wins Best of Breed or Best Opposite of Breed with, in a year. You must be producing juniors that are as good or better than their parents to win this contest, as well as be willing to leave home established champions.

It has taken hard work, long hours of driving, breeding, cleaning, culling, and showing. It is significant to me that after 38 years, we still look forward to sharing our love of Hollands with the good friends we've made, and new friends we continue to make.

We are grateful to contribute to the quality of Hollands shown across the country and love sharing our passion with so many wonderful people.

Nicole and Debra
