

Dwayne Scott of Ohio 2004

Dwayne joined the HLRSC in 1988 and has served as President of the club for six years and Vice President for two years. He is the only three term President of the HLRSC. He also served as Director and on several committees including the Standards Committee. While a member of the Board, Dwayne was known for his calming effect. He is a born diplomat able to bring consensus from diverse opinions.

Dwayne will forever be known as the official Holland Lop auctioneer, presiding over a multitude of HLRSC banquet auctions, and convention stock auctions. It is always done with a smile and lots of encouragement for bidders. He always works behind the convention show tables, helping ensure that each rabbit makes it to the table. He endlessly hands out coop tickets to whoever strays close enough, saying "If they make eye contact with me, they HAVE to bring up a rabbit".

He is a charter member of the Hallmark Holland Lop Country Club, and chairman of the three national shows that they held. He was also Breed Chair or Co-chair for six ARBA conventions. Audrey Patriarche says it best, "Dwayne is always there to do whatever is asked, no matter what it is, without batting an eye!"
